

## Membership

Members agree to pay a subscription of £75 for a six-month period. The start date of the membership will be the date of the next meeting after membership is requested.

Additional charges may also apply at meetings in respect of venue/refreshments. We will endeavour to keep these costs to a minimum.

At the end of the six-month period you may apply for renewed membership\*, we will send a reminder shortly before. If, after 1 meeting from the date on which the invitation to renew has been given, a new membership has not been taken the sector will be open to other businesses. Renewals will be backdated to be continuous with the previous membership unless 4 meetings have been missed.

3Cs Networking will endeavour to energetically support and promote your business, and we encourage your reciprocation. A minimum attendance of 80% is recommended, for your business to gain full benefit from your membership. Frequent attendance builds rapport and trust within the group, and maximises your business exposure. Stand-ins are encouraged and welcomed, they may also promote any business of their own as long as they do not conflict with other member's services.

You are encouraged to invite guests via the Eventbright link. Contacts can also be passed to an event organiser who may have a better overview of available sectors, and will invite on your behalf. Guests should not offer the same or similar services as current members.

Wherever possible members will be expected to share skills, contacts and support the overall success of the group.
